TREND: Fit to Be Tied

Whether you knot a slim strip of satin around your ponytail or tie a thick piece of velvet into a makeshift headband, a black ribbon is the pretty-meets-goth way to dress up your favourite hairstyle for fall. — *Andrea Karr*

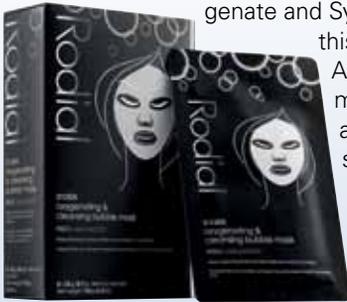

Golden Arches

“Healthy, groomed brows and lush lashes are beauty assets,” says Anna Koniaris, Caryl Baker Visage national face expert. To make your routine more efficient, look for multi-use products such as clear brow gel, which can be brushed onto unruly eyebrows to perfect their shape, or swiped over lashes to add volume and definition. FIZZ FIX

With bamboo charcoal for a deep cleanse, O₂ bubbles to oxygenate and Syn-Ake dipeptide to freeze lines, this ain't your mama's sheet mask.

Apply to clean, dry skin for 10 to 15 minutes and feel the bubbles pop and fizz as the hydrating, purifying serum works its magic.

First CLASS

The latest addition to Tiffany & Co. isn't a diamond, but its bottle might have you fooled. The jewellery house's new eau de toilette lives in a glass flacon with a base cut like the 128.54-carat yellow Tiffany Diamond and shoulders shaped like a Lucida-cut diamond engagement ring. And within that luxurious home, a vert de mandarine top note, sensual iris heart and patchouli finish blend into a floral musk that puts the ritz in spritz.
